ZOTYE	Z200	Remote control system	Remote control matching, remote control clear

ZOTYE	Z200	Smart key system	Remote control A matching, remote control B matching, smart key A matching, smart key B matching
ZOTYE	Z200HB	Smart key system	Remote control A matching, remote control B matching, smart key A matching, smart key B matching
ZOTYE	Z300	Anti-theft system Shanghai Industrial Anti-theft System	Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset
ZOTYE	Z300	Anti-theft system New joint anti-theft system	Version information, read fault code, clear fault code, read data stream, key increase, key clear, new system matching, immobilizer ECU matching, engine ECU matching, immobilizer ECU reset, engine ECU reset, read VIN code, key Detection, engine ECU detection, programming engine VIN, programming anti-theft device VIN, locking anti-theft device
ZOTYE	Z300	Remote control s Type 1	Remote control matching, remote control clear
ZOTYE	Z300	Remote control s Type 2	Read the data stream, set the maximum number of learnable keys, set the maximum start time, set a full set of system matching, PEPS controller matching, ESCL learning, EMS learning, EMS reset, key matching, key clearing, key status query, VIN code setting, full set System matching (without ESCL)
ZOTYE	Z360	Anti-theft system Shanghai Industrial Anti-theft System	Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset
ZOTYE	Z360	Anti-theft system New joint anti-theft system	Version information, read fault code, clear fault code, read data stream, key increase, key clear, new system matching, immobilizer ECU matching, engine ECU matching, immobilizer ECU reset, engine ECU reset, read VIN code, key Detection, engine ECU detection, programming engine VIN, programming anti-theft device VIN, locking anti-theft device
ZOTYE	Z360	Remote control system	Remote control matching, remote control clear, remote control quantity

ZOTYE	Z360	Smart key system Keyless Start System-Nunn	Read the data stream, set the maximum number of learnable keys, set the maximum start time, set a full set of system matching, PEPS controller matching, ESCL learning, EMS learning, EMS reset, key matching, key clearing, key status query, VIN code setting, full set System matching (without ESCL)
ZOTYE	Z500	Smart key system	Read the data stream, set the maximum number of learnable keys, set the maximum start time, set a full set of system matching, PEPS controller matching, ESCL learning, EMS learning, EMS reset, key matching, key clearing, key status query, VIN code setting, full set System matching (without ESCL), TBOX key writing
ZOTYE	Z500	Remote control system	Remote control matching, remote control clear, remote control quantity
ZOTYE	Z560	Smart key system Keyless Start System-Nunn	Read the data stream, set the maximum number of learnable keys, set the maximum start time, set a full set of system matching, PEPS controller matching, ESCL learning, EMS learning, EMS reset, key matching, key clearing, key status query, VIN code setting, full set System matching (without ESCL)
ZOTYE	Z560	Remote control system	Remote control matching, remote control clear, remote control quantity
ZOTYE	Z700	Smart key system	Read the data stream, set the maximum number of learnable keys, set the maximum start time, set a full set of system matching, PEPS controller matching, ESCL learning, EMS learning, EMS reset, key matching, key clearing, key status query, VIN code setting, full set System matching (without ESCL), TBOX key writing
ZOTYE	Z700	Remote control system	Remote control matching, remote control clear, remote control quantity
ZOTYE	DamaiX5	Remote control system	Remote control matching, remote control clear, remote control quantity
ZOTYE	DamaiX5	Smart key system	Read the data stream, set the maximum number of learnable keys, set the maximum start time, set a full set of system matching, PEPS controller matching, ESCL learning, EMS learning, EMS reset, key matching, key clearing, key status query, VIN code setting, full set System matching (without ESCL)
ZOTYE	DamaiX7	Remote control system	Remote control matching, remote control clear, remote control quantity

ZOTYE	DamaiX7	Smart key system	<p>Read the data stream, set the maximum number of learnable keys, set the maximum start time, set a full set of system matching, PEPS controller matching, ESCL learning, EMS learning, EMS reset, key matching, key clearing, key status query, VIN code setting, full set System matching (without ESCL)</p> <p>Key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, key 5 clear, set security code, read immobilizer to ECM, read ECM to immobilizer, write mechanical key number, vehicle identification Code writing, repair shop code writing, allow fault code to LED light output, shield fault code to LED light output, anti-theft computer reset, engine computer reset, engine control system EMS replacement, anti-theft control system replacement, combination meter replacement, airbag system replace</p>
ZOTYE	Lang Jun	Anti-theft system Type 1	<p>Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset</p>
ZOTYE	Lang Jun	Anti-theft system Type 2	<p>Remote control matching, remote control clear</p>
ZOTYE	Lang Jun	Remote control system	<p>Key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, key 5 clear, set security code, read immobilizer to ECM, read ECM to immobilizer, write mechanical key number, vehicle identification Code writing, repair shop code writing, allow fault code to LED light output, shield fault code to LED light output, anti-theft computer reset, engine computer reset, engine control system EMS replacement, anti-theft control system replacement, combination meter replacement, airbag system replace</p>
ZOTYE	Lang Yue	Anti-theft system Type 1	<p>Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset</p>
ZOTYE	Lang Yue	Anti-theft system Type 2	<p>Key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset</p>

ZOTYE	Lang Yue	Remote control system	Remote control matching, remote control clear
ZOTYE	Lang Lang	Smart key system	Remote control A matching, remote control B matching, smart key A matching, smart key B matching
ZOTYE	Zhi Ma E30	Remote control system	Remote control matching, remote control clear, remote control quantity
ZZMAZDA	All models	Lianchuang anti-theft system	Version information, read fault code, clear fault code, read data stream, key increase, key clear, new system matching, immobilizer ECU matching, engine ECU matching, immobilizer ECU reset, engine ECU reset, read VIN code, key Detection, engine ECU detection, programming engine VIN, programming anti-theft device VIN, locking anti-theft device
ZZNISSAN	Shuike1.6/2.0	Anti-theft password reading	Password reading
ZZNISSAN	DF FengDu MX6	Anti-theft system	Steering lock release, control unit initialization, mechanical key registration, smart key registration, smart key clearing, registration of steering lock ID
ZZNISSAN	Shuike1.5	Anti-theft system	Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset
ZZNISSAN	Shuike1.6	Anti-theft system	Version information, read fault code, clear fault code, read data stream, key increase, key clear, new system matching, immobilizer ECU matching, engine ECU matching, immobilizer ECU reset, engine ECU reset, read VIN code, key Detection, engine ECU detection, programming engine VIN, programming anti-theft device VIN, locking anti-theft device
ZZNISSAN	Shuike2.0	Anti-theft system	Version information, read fault code, clear fault code, read data stream, key increase, key clear, new system matching, immobilizer ECU matching, engine ECU matching, immobilizer ECU reset, engine ECU reset, read VIN code, key Detection, engine ECU detection, programming engine VIN, programming anti-theft device VIN, locking anti-theft device

ZZNISSAN	Rui Qi		Anti-theft system	Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset
ZZNISSAN	Odin Diesel		Anti-theft system	Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset
ZZNISSAN	other types of cars		Anti-theft system	Version information, read fault code, clear fault code, read data stream, password setting, password input, new system matching, key matching, all keys clear, key 1 clear, key 2 clear, key 3 clear, key 4 clear, Key 5 clear, immobilizer ECU matching, engine ECU matching, programming immobilizer VIN, programming engine VIN, engine ECU reset, immobilizer ECU reset
ZZNISSAN	NV200		Smart key system	Smart key matching, all smart keys are cleared, matching steering lock
ZZNISSAN	DF FengDu MX5		Smart key system	Smart key matching
ZZNISSAN	DF FengDu MX6		Smart key system	Smart key matching, all smart keys are cleared, matching steering lock
DAF	CF	2006-	BLADE	All Keys Lost
DAF	LF	2006-	BLADE	All Keys Lost
DAF	XF	2006-	BLADE	All Keys Lost
DATSUN	GO/GO+			Program Keys
HUANGHAI	Huanghai Automobile		UMC anti-theft system	Add New Key, Add Old Key, Delete All Key, Read Key Info, Write PIN, Replace ECM, Reset ECM, Replace IMMO, Reset IMMO, Lock IMMO, Learn ECM SK2, Generate SK2 Function, IMMO Whole Match
HUANGHAI	Huanghai Automobile		CQJC Anti-theft System	Identification data, Read fault code, Clear fault code, System status, Password setting, Programming date, Programming VIN, Erase Keys, Program Keys, IMMO ECU Reset, ECM ECU Reset, ECM ECU Program, IMMO ECU Program
HUANGHAI	AO calibration vehicle			Add key, Erase Keys, Anti-theft box reset
JIEFANG	J7		Remote	Program Remote

LAMBORGHINI LP560	Remote System	Program Remote
LAMBORGHINI LP570	Remote System	Program Remote
LAMBORGHINI LP580	Key(Smart Key) P With Original Key	Read IMMO Data,Show IMMO Info,Make Dealer Key,Program Keys,Stop Key Learning Mode
LAMBORGHINI LP580	Key(Smart Key) P Without Original Key	Read IMMO Data,Show IMMO Info,Make Dealer Key,Program Keys,Stop Key Learning Mode
LAMBORGHINI LP610	Key(Smart Key) P With Original Key	Read IMMO Data,Show IMMO Info,Make Dealer Key,Program Keys,Stop Key Learning Mode
LAMBORGHINI LP610	Key(Smart Key) P Without Original Key	Read IMMO Data,Show IMMO Info,Make Dealer Key,Program Keys,Stop Key Learning Mode
LAMBORGHINI LP700	Key(Smart Key) P With Original Key	Read IMMO Data,Show IMMO Info,Make Dealer Key,Program Keys,Stop Key Learning Mode
LAMBORGHINI LP700	Key(Smart Key) P Without Original Key	Read IMMO Data,Show IMMO Info,Make Dealer Key,Program Keys,Stop Key Learning Mode
